

DID YOU KNOW?

More than 55 million Americans (1 in 5) have some form of physical, intellectual, or psychological disability.

—US Census Bureau (2004)

"Only 32% of Americans with cognitive disabilities, age 18 to 64, are working. Work opportunities determine and are determined by the ability to secure affordable, accessible housing; accessible transportation; health care; assistive technology; education; opportunities to socialize, and participate in community and political life. Jobs are the ticket to greater freedom, independence, and the chance to fully participate in and contribute to society."

—National Organization on Disability

Our friends with disabilities remind us of God's grace. For without Christ, you were once disabled spiritually, unable to move into His Kingdom, as well as blind to His purpose, and deaf to His voice. But by His grace you are being made whole . . .

**AND NOW FOR SOMETHING
COMPLETELY DIFFERENT . . .**

Light and Power is an adult Sunday School class for people with cognitive and physical disabilities. Every week, our lesson focuses on learning biblical truth, and Scripture memory at a level accessible to people with special learning needs.

This community goes beyond the walls of Trinity Church. Light and Power stresses interaction with each other and with the larger community of Redlands, including the Rotary and Compact Clubs at Redlands East Valley High School. We have frequent outings like BBQs, pool parties, hiking in the mountains, and attending local sporting events such as '66ers games and REV football and basketball games.

So if you are looking for a group who celebrates the diversity of Christ's Body the Church, and want to have a great time doing so, come be illuminated by Light and Power!

**SO MUCH MORE THAN A
CLASSROOM . . .**

Besides coming to interact with practical biblical principles, Light and Power members enjoy a safe, supportive, and fun community where they can embrace their uniqueness without fear of rejection or isolation. Each week, we start our class with snacks and conversation. We end our time together by praying for one another, which draws us closer together as brothers and sisters in Christ.

**MAYBE SOMEDAY IT WILL NOT
BE SOMETHING COMPLETELY
DIFFERENT!**
